Exacting Standards in Audio

Family run business Hi Fi Racks Ltd is passionate about providing clients like you with specialist Audio Visual equipment, uniquely styled to compliment your living space without compromising acoustic performance.

Using only the finest quality hardwoods from around the world we have developed an upgradable and highly adaptable system to match and grow with your changing Hi Fi system requirements.

We pride ourselves on first rate customer care and have always strived to perfect our designs through the positive feedback we have received from happy customers.

All the products you will see in this brochure are lovingly handcrafted right here in the UK by our dedicated team with a strong focus on individual client requirements and ultimately your satisfaction.

Please visit our website or contact us for further details and custom options on any product
