

THE PERFORMER SERIES

POWER PERFORMER

- 5mm² OFC copper conductors
- Triple shielding
- Overall Diameter 15mm
- High Quality gold plated Schuko and IEC plugs

PERFORMER INTERCONNECT RCA CABLE

- Low mass RCA connectors, tellurium copper for central pin, beryllium copper for the ground, amagnetic aluminum barrels
- Single ended directional OFC copper cable

PERFORMER INTERCONNECT XLR CABLE

- XLR Neutrik Gold plated connectors
- Balanced OFC copper cable

SPEAKER PERFORMER

- 4.0mm² Conductors
- Aluminum Portento Audio Splitters & Shells
- Banana and/or spades
- Monowiring

PERFORMER S/PDIF

- 75 ohm Impedance
- Portento Audio Beryllium & Tellurium copper alloy low mass RCA connectors

MUSICA REVOLUTION RCA CABLE

- Pure 5N OFC copper conductors teflon insulated.
- 100% shielding braided copper screen
- Low mass RCA connectors, tellurium copper for central pin, beryllium copper for the ground, amagnetic aluminum barrels

MUSICA REVOLUTION XLR CABLE

- Pure 5N OFC copper conductors teflon insulated.
- 100% shielding braided copper screen
- Neutrik XLR connectors gold plated pins

MUSICA SPEAKER LINK

- 2x4.0mm² conductors
- Aluminum original Portento Audio Splitters
- Banana or spades connectors
- 24K gold plated bronze contact pins

MUSICA SPEAKERS JUMPERS

- Set of 4 speaker jumpers
- 2x4.0mm² conductors
- Beryllium Copper Gold Plated Connectors

REFERENCE 2 INTERCONNECT XLR CABLE

- Solid core 7n mono crystal copper with low capacity, triple shielding.
- Viablue T6s XLR connectors gold plated pins

SPEAKER REFERENCE ONE

- 2x4x2.0mm² 7n pure copper conductors
- Aluminum original Portento Audio Shells
- Banana or spades connectors
- 24K gold plated bronze contact pins
- Mono or Bi Wiring

SPEAKER REFERENCE TWO

- 2x2x6.0mm² 7n pure copper conductors
- Aluminum original Portento Audio Shells
- Banana or spades connectors
- 24K gold plated bronze contact pins
- Mono or Bi Wiring

DIGITAL REFERENCE S/PDIF CABLE

- 75 ohm Impedance
- AIST proprietary shielding technology
- Available with Portento Audio RCA connectors and/or BNC connectors.

THE REFERENCE SERIES

POWER REFERENCE 2

- 7n UP-OCC silver plated copper
- Oyaide 079 EU or US Plugs
- 5mm² conductors size

DIGITAL REFERENCE AES/EBU CABLE

- 110 ohm Impedance
- Gold plated XLR connectors
- AIST proprietary shielding technology

THE MUSICA SERIES

MUSICA POWER LINK

- 4mm² OFC copper conductors
- AIST proprietary shielding technology
- High Quality gold plated EU Schuko and IEC plugs

REFERENCE 2 INTERCONNECT RCA CABLE

- Solid core 7n mono crystal copper with low capacity, triple shielding.
- Portento original RCA plug (Tellurium copper central pin - Beryllium copper ground)

USB COPPER REFERENCE

- Copper conductors.
- 90 ohm Impedance
- Gold Plated Connectors
- AIST proprietary shielding technology

THE SIGNATURE SERIES

POWER SIGNATURE

- OFC copper & silver plated copper conductors
- 10mm² size for Live, Neutral & Ground
- Oyaide EU or US Plugs (079 or 004)

COPPER SIGNATURE USB CABLE

- 7N Copper Conductors
- 90 ohm impedance
- Gold Plated Connectors
- Proprietary Shielding Technology AIST II

THE DIGITAL SERIES

USB COPPER ONE SINGLE/DUAL HEADED

- Copper Conductors
- Gold Plated Connectors

USB SILVER ONE SINGLE/DUAL HEADED

- Silver Plated Conductors
- Gold Plated Connectors

DIGITAL LINK S/PDIF

- 75 ohm Impedance
- Available with Portento Audio RCA connectors and/or BNC connectors.

DIGITAL LINK AES/EBU

- 110 ohm Impedance

THE POWER SERIES

THE CORE NCF

- 4mm² OFC copper conductors
- 6 EU or US Furutech NCF Outlets
- Optional Power Clean Zero on board
- Available in various colours

POWER CLEAN ZERO

- Portento Parallel Audiophile Filter
- Potted in resin to prevent microphonic effects
- Available with EU or US plug

ALL OUR PRODUCTS SHARE THE SAME FEATURES

- Handmade
- Manufactured in Italy
- Attention to details
- Function Test
- Endless Customization Possibilities
- Lead-free soldering with 3,8% silver and 0,7% copper
- Refined Design
- Astonishing Value for Money
- Use of High Quality Equipment and Materials
- Use of Customized Materials
- Packaging
- Cables Directionality
- Pre-Sales and Post-Sales Support
- 14 Days Trial Period
- Life warranty for all the cables

Since 2015 we handmade cables & Hi-Fi accessories in Italy with passion. Human relationship with Customers & Partners are a must for us. Like a tailor, we can customize our products to fit your needs. The use of high reliability materials mixed with our artisan expertise brings you a top-notch stunning product, and it is Made in Italy!
